Step into the playground of possibilities. A world where ideas collide, business leaders unite and connections flow.

SINGAPORE  
EXPO

Playground of Possibilities

SINGAPORE EXPO

# Events That Captivate, Inspire, and Enliven

Home to some of the greatest leading events in the world,  
Singapore EXPO is the country's largest purpose-built MICE venue.

This is where ideas collide, business leaders unite and connections flow. We push the boundaries, challenge the norm, and pioneer groundbreaking solutions that elevate your event experiences to greater heights.

*Singapore EXPO is managed by Constellar, a pan-Asian MICE company. Constellar is Asia's preferred partner for convening and curating innovative events and venue experiences. The venue management and consultancy is jointly owned by Temasek Holdings, Singapore's largest investment corporation, and Cuscaden Peak Investments Private Limited (formerly known as Singapore Press Holdings Limited).*

PLAYGROUND OF POSSIBILITIES

**RESPONSIBLE FOOD PRACTICES**

Urban farm and herb gardens

Catering partners that advocate sustainable sourcing

# Your Guide to Sustainable Events at Singapore EXPO

**RESPONSIBLE FOOD PRACTICES**

- Farm-to-table practices via our onsite urban farm and herb gardens
- Close partnerships with F&B partners to adopt plant-based food and use local products
- Eco-friendly cutlery and packaging for our F&B products

**WHAT THIS MEANS FOR YOU**

Sustainable dining is now easily accessible through our supply chain. More options, such as plant-based food, are available to you and your attendees.

**ZERO WASTE SOLUTIONS**

- User-friendly labels on recycling bins across common areas to aid waste separation
- Onsite waste separation and sorting centre to ensure non-contamination of waste streams
- Onsite weighing of waste produced
- Food digester reduces carbon emissions by minimising the need for transportation to incinerators
- Digital screens instead of physical advertising and marketing materials to reduce waste
- Water dispensers in common areas to encourage visitors to use their own reusable water bottles

**WHAT THIS MEANS FOR YOU**

We can collect, weigh and transfer your waste to the food digester, and provide you with a report on the amount of waste digested after the event.

**SMART & SUSTAINABLE BUILDINGS**

- Green Building Platinum SUPER LOW ENERGY Certified
- SACEOS MICE Sustainability Certification - Platinum
- Highly efficient and scalable HVAC cooling plants
- Lighting control systems to schedule and manage lighting across our buildings
- Motion sensors in restrooms
- Replacement of diesel-run mobile elevated work platforms and forklifts with electric alternatives
- SG Green Label products for cleaning consumables
- Digitisation of work processes

**WHAT THIS MEANS FOR YOU**

Your event will have a lower carbon footprint without compromising quality or comfort.

**GREEN ENERGY ONSITE**

- 16,508 solar panels with a capacity of 9.7MWp installed on our roof since December 2023
- Generates 12GWh annually
- Eliminates 5,000 metric tons of carbon dioxide equivalent yearly

**WHAT THIS MEANS FOR YOU**

Our team is able to collect and compare your event's electricity usage with our renewable energy data to help you determine your event's energy usage. You may request this carbon footprint report\* from your sales manager.

\*Available for B2B events
